

UNITED STATES GOVERNMENT

Memorandum

25X1A

TO :

DATE: 9 November 1964

FROM : DAD/S&D

SUBJECT: Attachment

25X1A

Bill : The attached document refers to some measurements made recently at to see whether or not could, by measuring the backlogs, determine what the scan rates are associated with FAN SONG. I understand informally that the prospects for success are not too great. You may wish to scan this for information. It should then be returned to SMS/OEL,
